June 2018

Dear Parent/Carer

RE: INDUCTION DAYS – MONDAY 9 JULY & TUESDAY 10 JULY 2018

We are very much looking forward to seeing our new Year 7 intake of students on **Monday 9 and Tuesday 10 July 2018**. As well as being introduced to their new Head of House, students will have an opportunity to sample many of the subjects that they will be studying at Long Field during the next academic year. We will be providing all our inductees with a free pencil case as part of the induction day so they will be fully equipped. Please ensure your child wears their current school uniform.

There will be members of staff on hand to meet your child in the Hampson Building. The school day starts at 8.40am and ends at 3.30pm.

If you live in a village that's in our catchment area (as designated by Leicestershire County Council) and is served by a *coach*, please find enclosed free bus passes for the two days and information of the pick-up/ drop off points. **Please note that these passes do not confirm a right to free transport provided by the County Council next term**; they will be contacting you directly over the next few months regarding this. Unfortunately, if you live in a village that's served by a taxi contracted to the County Council, then you will have to make arrangements yourself to get your child here on these two days. If you would like further assistance with transport, either for induction days or for the next academic year, then please contact Mrs Bernadette Smith at the academy who will do her best to help. Further information on the Long Field Flyer and the Long Field Minibus is enclosed for those living in the villages served by these.

Also enclosed is information regarding our transitional Summer School together with a booking form. Bookings can be made via Parent Pay, for which your log in is enclosed. Please note, all bookings made need to be accompanied by the completed booking form, returned upon payment to confirm the place. Those that receive free school meals are offered a free place; please contact Mrs Maloney at the Academy if you believe you are eligible.

Lunch will be available at a very reasonable cost (£3.00 average) or your child may bring a packed lunch. Snacks are also available to buy at break-time should your child wish to do so. Children entitled to free school meals will receive a free school lunch.

May we also take this opportunity to remind you that you are invited to our New Intake Parents' Evening on **Tuesday 10 July 2018 at 6.30pm** in the Hampson Building. At this meeting you will hear what the students have been doing during their two days with us and also find out about first day arrangements. There will be an opportunity to try out some of the food available at the Academy as part of our menus and you will also be able to ask any questions you have together with the opportunity to buy and order the new school uniform. We hope to see you all on this occasion.

We look forward to meeting you in July but in the meantime, if you have any queries or require further clarification of the Induction Days' arrangements, please do not hesitate to contact me.

Yours faithfully

Mr C Haggett
Principal
